This little gem in Palolo is absolutely charming! This is a condo that lives very much like a single family home with a co separate living area. Fresh and clean with 3 bedrooms and 1 and a half baths in the main house and then downstairs has studio with a full bath that is currently rented out month to month with a lovely tenant who would like to stay. MASSIVE right at your parking area to store ALL of your beach toys and TONS more. Just around the corner from the Palolo Corn with pool, basketball and tennis courts and more. This is such a special property, I encourage you to come see it even if not what you are looking for...this just may fit your bill. Don't let this one pass you by!
